The United States further requests that the Court's Order allow the United States Marshals Service or other appropriate law enforcement agency to enter the arrest warrant into the National Crime Information Center (NCIC) database or other appropriate law enforcement database, without further order of the Court.

The United States further requests that the Court's Order allow the United States to disclose the existence of the Indictment in any subsequent search and/or seizure warrants which may be executed in conjunction with the arrest of the defendant.

The United States further moves that the Court direct the Clerk to unseal the documents described herein without further order when any named defendant is taken into custody.
